Dear Sir,

Re: Waltzing Matilda Cultural Centre

I wish to advise that Council is intending to provide a float and/or display for the Waltzing Matilda Celebrations in April, 1995. Which will involve considerable expense on Council's behalf. We feel that the building of a permanent memorial will give recognition to this cultural event which will be important for the area.

However, due to the expected outlays in participating in the celebrations, Council will not be financially supporting the establishment of the Waltzing Matilda Cultural Centre.

Yours faithfully,
