Explanatory Notes

This report has been prepared on the following basis.

- 'Legal services expenditure' has been defined as legal services accrued by the Department of the Prime Minister and Cabinet during the 2019-20 financial year.
- On 1 July 2020, the Indigenous Affairs Group of the Department of the Prime Minister and Cabinet became the National Indigenous Australians Agency (NIAA), an executive agency in the Prime Minister and Cabinet portfolio. This report does not include expenditure on legal services by the NIAA, which is required by paragraph 11.1(ba) of the *Legal Services Directions 2017* to report separately.
- 'Internal legal services' have been identified in accordance with the definition used by the Australian National Audit Office in Audit Report No. 52 of 2004-05: "The procurement of legal services from within the agencies through the employment of APS personnel with appropriate professional legal qualifications, or such personnel collectively." Activities of the department coming within the ANAO definition of 'internal legal services' may also involve the provision of policy advice, so internal legal services are not necessarily directly comparable with, or able to be substituted by, external legal services.
